

Working together

Funding/support opportunities

Thursday 15th December

Melbourne Water invites you to a breakfast event, Thursday 15 December

Purpose:

Learn about opportunities to receive funding and support from Melbourne Water to benefit our local communities.

Audience:

Local Government Councillors and Senior Managers involved in:

- Planning
- Environment/Sustainability
- Parks and Open Space Management
- Infrastructure and Engineering

Presentations:

- Living Rivers Program Stormwater Program
 - \$4million funding and support for Water Sensitive Urban Design and Integrated Water Management
- Flood Management Planning
 - Councils and Melbourne Water working together to develop Flood Management Plans through funding assistance from Melbourne Water.
- River Health Incentives Program
 - ~\$4million funding and support available to councils, community groups and private landholders for on ground waterway improvement works.

Time: 7.30am – 9.30am

Venue: Zinc (Fed Square)

RSVP: Friday 9th December to local.government@melbournewater.com.au
